

MINI GAMES

A CHERRY ON TOP

SMALL GAMES BIG IMPACT

TIME IS MONEY

Mini Games lets you use the time spent waiting at the table to make money on other products.

Mini Games are positioned inside the poker client, so the player doesn't have to leave your poker product to play on other products, but lets you reap the benefits of both.

Mini Games has a 7-10% boosted revenue potential, and case studies testify to added revenue rather than migrated revenue.
